Under what conditions can the insurance company terminate the group policy?

The insurance company can terminate the group policy under the following conditions:

1. Failure to pay premiums.
2. Fraud or misrepresentation by the policyholder.
3. Violation of policy terms and conditions.
4. Eligibility criteria no longer being met.

Here is the information extracted from the policy documents to support the answer:

Policy Name	Page Number	Section	Details
Principal-Sample-Life-Insurance	Page 23	Section C - Policy Termination	Details about the conditions under which the insurance company can terminate the group policy.

Please refer to Page 23 of the Principal-Sample-Life-Insurance policy document for more detailed information on the termination conditions of the group policy.
